

You've Been Jingled!

The Christmas Elf is jingling around.
Ringing the bells of the homes he has found.
Leaving some goodies for a happier season.
Continue this jingling, you have a good reason.

First, post this Elf near your front door.
Please do it soon or you may get some more!
This will let the other Elves know of your visit.
Be sure to participate, you don't want to miss it!

Second, make two goodies & two copies from
www.beenjinged.com
Deliver them to two neighbors, try to stay calm.
Jingling the door bell, its certainly fun,
To act like an Elf and then Run, Run, Run!

Next, you have only one day to act, so begin.
Leave it at a door where the Elf hasn't been.
Deliver when the time is just right.
Ring the doorbell and stay out of sight!

The Jingling Elf wants to bring everyone Joy
Visiting the homes of good girls and good boys.
This is all in good fun and we are trying to say,
Have a Merry Christmas & Happy Holidays!
